Reclaim & Renew: Nurse Practitioner (NP) Reset Retreat – Our Vision

Reclaim & Renew: NP Reset Retreat was created as an intentional space for healing, restoration, and reconnection for Nurse Practitioners who pour endlessly into others. Set in a peaceful, nature-centered environment, this retreat focuses on addressing burnout at its core—emotional fatigue, moral distress, compassion fatigue, and the pressure of practicing in increasingly complex healthcare systems.

Through guided wellness experiences, mental health education, peer connection, and reflective practices, participants are given the tools to reset, rebuild resilience, and return to practice feeling grounded, supported, and re-energized. This retreat is not about stepping away from the profession, it's about sustaining it.

Our vision is to invest in the well-being of Nurse Practitioners so they can continue to provide high-quality, compassionate care to their communities. By supporting this retreat, sponsors directly contribute to the mental health, longevity, and leadership of the nursing workforce, creating a ripple effect that extends far beyond the retreat itself.

Sponsor & Exhibitor Welcome

Dear 2026 Business Partners and Supporters,

Andrews Healthcare Consulting is proud to invite you to participate in our inaugural Reclaim & Renew: NP Reset Retreat. This NP wellness retreat will take place in Old Town, FL, August 21–23, 2026, and promises to be an immersive wellness retreat designed specifically for nurse practitioners seeking restoration, resilience, and reconnection to purpose. This retreat blends nature-based experiences, structured self-reflection education, therapeutic services, and peer networking to combat burnout and promote sustainable practice.

As a sponsor or exhibitor, your organization will enjoy unparalleled opportunities to:

Connect with decision-makers – engage directly with nurse practitioners and NP entrepreneurs who are actively seeking reconnection to practice with purpose.

Showcase your brand – highlight your solutions in our exhibit area, designed for meaningful engagement in a professional, welcoming environment.

Expand your reach – benefit from enhanced sponsorship packages that increase visibility before, during, and after the conference.

Align with thought leaders – position your organization alongside the NP profession and those involved with transforming patient care.

Andrews Healthcare Consulting is building a platform that strengthens connections across emotional, mental, and clinical domains. By supporting this conference, you are not only investing in your organization's visibility but also contributing to the advancement of nurse practitioners across Florida and beyond.

We look forward to showcasing your partnership at this important event and to helping you maximize your impact with NPs looking for reflection.

With gratitude,
